Day 5: Free Day

Each week there is a free day offering an opportunity to relax around the hotel or visit local places of interest.

USEFUL HOLIDAY INFORMATION

Essential Information

Passport Requirements

You may need to renew your British passport if you're travelling from 1 January 2021.

On the day you travel, you'll need your passport to both:

- have at least 6 months left
- be less than 10 years old (even if it has 6 months or more left)

Use the [government website](#) to see if your passport is valid for this holiday

EHIC Cards

The UK government has officially launched the Global Health Insurance Card (GHIC), which will replace the European Health Insurance Card (EHIC). UK residents can now apply for one of the GHIC cards, which will gradually replace the EHIC cards as they reach their expiry dates. Every family member travelling requires a GHIC. You can make an application for yourself and on behalf of your partner and any dependent children under the age of 16. Both cards will offer equivalent protection for emergency and medically necessary healthcare needs when in the EU on a temporary stay, which includes holiday, study and business travel.

Necessary healthcare includes things like

- emergency treatment and visits to A&E
- treatment for long-term or pre-existing medical conditions
- routine medical care for pre-existing conditions that need monitoring
- oxygen and kidney dialysis

The public only need to apply for their free GHIC cards when their current EHIC expires. The process is likely to take two weeks. For more information visit <https://www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-uk-global-health-insurance-card-ghic/>.

The GHIC is not an alternative to travel insurance. We advise all holidaymakers to also invest in travel insurance that covers healthcare, so they are covered for other issues that may arise, as well as cancellations and lost luggage.

Essential Equipment

To enjoy walking/hiking comfortably and safely, footwear, clothing and equipment needs to be suitable for the conditions. Safety and comfort are our priorities, so our advice is to come prepared for all eventualities.

- Footwear with a good grip on the sole (e.g. Vibram sole) is the key to avoiding accidents.
- Walking/hiking boots providing ankle support and good grip are recommended (ideally worn in), and specialist walking socks to avoid blisters.
- Several layers of clothing, which can be added or removed, are better than a single layer (include spares).
- Fabrics (lightweight and fast drying) designed for the outdoors are recommended.
- Waterproof jacket and waterproof over trousers.
- Warm hat and gloves.
- Denim jeans and capes are not suitable on any walks.
- Rucksack with a waterproof liner.
- Thermos flask for hot drink.
- Water bottle (at least 2 litre).
- Spare high-energy food such as a chocolate bar.
- Small torch.

- Sun hat and sunglasses
- Sun cream.
